M & Ms

Mirror	**Message**	**Symbolism**
In what ways does the artwork attempt to ***reflect life*** at a particular place and time in history?	What ***message***(s) is being expressed by the artist about life during this particular time or in this particular place? What is the artist ***trying to say*** through his work?	Describe any item or individuals in the artwork which could be regarded as a "***symbol***" for groups of people, ideas, concepts, etc?
Based on your knowledge, how ***accurate*** is this reflection to reality? Describe how you reached this conclusion?	What would you believe to be the ***artist's perspective*** toward a particular time, event, or place portrayed in the artwork?	Do you believe the ***primary purpose*** for creating this artwork to be a "mirror" of the times or to send an important "message"? Why?
